### CAUTION

Ali Hussein Salamey is wanted for allegedly kidnapping his son from Florida on or about August 25, 2018. In violation of a child-custody court order, Salamey traveled to Beirut, Lebanon, taking his three-year-old son without the knowledge or consent of the child's mother. The child travelled with a fraudulently obtained passport.

On October 30, 2018, the United States District Court for the Middle District of Florida issued an arrest warrant for Salamey after charging him with removing a child from the United States and retaining a child (who has been in the United States) outside of the United States with the intent to obstruct the lawful exercise of parental rights.
